*Full time, 10-month salaried position available August 1, 2025.*

### **BRIDGTON ACADEMY**

Bridgton Academy, established in 1808, is the nation's leading postgraduate program for boys. In the year between high school and college, we prepare young men to achieve their goals by providing unmatched college-preparatory academic instruction, NCAA-level athletic development, and a deliberate residential campus experience that fosters personal growth, self-confidence, and the independence to be successful in college and life beyond. Our six sports are baseball, basketball, football, hockey, lacrosse, soccer, and our Wolverine outdoor experiential program.

Located in the Lakes and Mountains region of western Maine, Bridgton students and staff enjoy opportunities to study, work, and recreate in one of the most scenic places in New England, as well as enjoy a positive and rewarding work environment within our state-of-the-art campus facilities.

### **SUMMARY**

The ideal candidate will have deep knowledge of the field of science, including both physical and life science-related fields. More specifically, demonstrated experience in coursework covering genetics, nutrition, medical microbiology, or comparable advanced science classes is of highest interest. The candidate will have a familiarity with a range of resources in the teaching of science, including curriculum development, as well as proven ability to successfully guide students of all academic backgrounds to foster academic confidence and success. This position requires a passionate educator who can create a dynamic learning environment where students are encouraged to think critically and increase their college readiness. Participation as an assistant coach or other extracurricular opportunity may be required.

### **ESSENTIAL FUNCTIONS**

Reporting to the Dean of Academics the Science Teacher will:

- Teach 4-5 courses each semester, for two semesters (full year).
- Assistant coach athletic team or leader for extracurricular activities (intramurals or outdoor experiences).
- Serve as an advisor for a small group of students.
- Supervision of evening study hall, dormitories, weekend campus activities (valid driver's license required).

### **QUALIFICATIONS AND ATTRIBUTES**

- Bachelor's degree in science or STEM related fields. Master's degree which allows for potential to teach College Articulation Program (CAP) classes preferred.
- Two or more years of experience in a related professional environment is preferred. Experience with independent schools or colleges is beneficial.
- Excellent writing and communication skills.
- Strong understanding of, and appreciation for, the motivation and mindset of the emerging young adult male student.
- Commitment to our students, faculty, and the mission of our Academy.

- Collegiality, intellectual curiosity, a willingness to listen, as well as the ability to exercise patience, collaborate, and innovate.
- Experience as a student-athlete or coach is not required but beneficial.

#### **SALARY AND BENEFITS**

Competitive salary commensurate with experience.

Bridgton Academy offers a robust, competitive benefits package including medical, dental, vision, short- and long-term disability, life insurance, a very generous paid time off policy, and a retirement plan with company match.

Please note: Housing may be available for full-time candidates.
