

## Motor Vehicle Registration FAQs

Students are welcome to have use of their car at Bridgton Academy, once a permission form and the \$250 parking fee have been received. Students may drive their car to Registration/Move-In Day. The permission form and parking fee will be processed during Registration/Move-In Day and a parking decal issued. The vehicle parking fee can be paid by cash, check, or major credit card (Visa, Mastercard, American Express). Below, you will find answers to frequently asked questions about student vehicles.

**Where can I get the permission form and pay the fee?** Anyone who would like to have a car on campus will need to complete the form and pay the fee on Registration Day.

**Where is the Student Parking Lot?** After completing your vehicle permission form and receiving your parking decal, student vehicles should be moved to the gated Student Lot on upper campus.

**When can my son utilize his car?** The student lot will be open after lunch on Friday afternoons and then be locked on Sunday evening at 7:00pm (except for weekends that are “closed”). Students are free to use their cars as they wish throughout the weekend. When cars are not in use, they are to be parked in parking lots and not lined up in front of dormitories (this is only for loading and unloading purposes). Cars that are used during the weekends need to be parked in the student lot overnight. Cars that are not parked in the lot overnight will be ticketed by the weekend duty staff. Students may use cars during the week for an approved college admission visit.

**What if my son does not park in the student lot?** Cars not parked in the lot will be ticketed. The first violation will result in a warning levied by the Dean of Students. Each subsequent violation will result in a fine of \$75.
